MEMORANDUM FOR THE RECORD

Morning Meeting of 26 September 1967

The Director was at the National War College. DDCI was in the chair.

DD/I called the DDCI's attention to the regular monthly survey of foreign shipping to North Vietnam, which for the second consecutive month showed a marked decline as compared with the January-February average. This is explained in part by the unavailability of exports.

Godfrey noted that he is making an effort to improve the liaison between the NMCC and the Ops Center.
